The Rev. Geo. A. Steele of Oyen officiated.

Shortly after the ceremony the newly married couple returned to town when they were given a very hearty reception at the hotel.

Mr. Chas. Stewart, who was stationed here for over a year, during which time he made many friends and was always a popular officer, left Oyen last December and has since been stationed at Calgary.

Miss Jean Welsh made a winsome bride. Having been on the staff at the Alberta Hotel for nearly two years, she was well known in this district, and held in the highest esteem by all her friends.

Obituary

It is with deep regret we announce the death of Miss Florence Christine McKenzie, which occurred on Friday morning, April 7th, at the home of her brother Mr. Jack McKenzie.

Miss McKenzie came to Oyen about two weeks ago with the intention of keeping house for her brother. It was when they intended to leave for the home of their parents in Nova Scotia.

Miss McKenzie was the daughter of Mr. and Mrs. Andrew McKenzie of Cape Breton, N. S. Four years ago she went to Saskatoon, where she resided up till the time of her visit to Oyen. By her death, she leaves her parents, three sisters, six brothers and innumerable friends to mourn her loss. Of her brothers one is at the front and two, who lived with her in Saskatoon, have enlisted for active service.

Mr. Jack McKenzie left on Tuesday morning for Saskatoon where the burial took place.

The heartfelt sympathy of the entire community is extended to Mr. Jack McKenzie and relatives in the hour of their sad bereavement.

From Our Rearview Correspondent

We received a communication from one of our correspondents this morning in which he advises us that news is "terribly scarce". With true journalistic enterprise however, he wrote a letter, which in its own particular way is quite a masterpiece. We give the following extracts for your perusal.

"Have been taking the innermost recesses of the cellular cavity, wherein the brain of man is supposed to be located, in the hope of uncovering some local news that would be of interest to the many readers of your incomparable weekly bazaar. The best items that I can produce however, amount to no more than the insipid, hackneyed bits of local gossip so common in countries of this character."

"I refer to such items as—'Spring seedling is well under way, and there will doubtless be double the acreage sown this year, over last year, and Steady war is being waged on the gopher, all wise farmers realizing that an ounce of poison will do more good now than a pound in June, etc., etc., ad infinitum (whatever that is)."

"There have been no murders or marriages around here, since my return from your busy metropolis some two weeks ago, and I hesitate to instigate either of the above crimes just for the sake of a senecy. Knowing the natural timidity and retiring nature of my disposition, you will understand any hesitancy in this matter."

"Doubtlessly after a few years of journalism I will become hardened to such devilry and will commit any crime—on paper—for the sake of a news. Just now I must decline."

Other items in the letter are of a personal nature and for our sake as well as the writers' we will not publish them, except to say that our correspondent wishes to be remembered to all members of "The Tabernacle" and sends his love to the ladies, one and all.

British war office pulls off a typical Punch pun by seriously stating that Teuton reports of the recent Zeppelin raid are bombastic.

Prairie Fires

Now that the prairie grass is beginning to dry out, too much care cannot be exercised by smokers. Never throw away lighted matches, cigar or cigarette ends on the prairie. Labor is too scarce these days to have men spending their time fighting prairie fires, and a match carelessly thrown away is often the cause of a serious fire.

In Lighter Vein

Some people do have hard luck. We heard of a young man who was taken out for a drive the other day, in a Ford.

This is not all the story, you'll find it at the bottom of the column.

Just the other day we heard that H. E. King (of Calgary) went to church twice one Sunday. Next day the church was burnt to the ground.

A teacher was trying to explain the dangers of overwork to one of the smaller pupils. "Now, Tommy," she said, "if your father were busy all day and said he would have to go back to the office at night, what would he be doing?"

"That's just what mother wants to know," said Tommy.

There are two "Boscos" in town now. The latest arrival being a bull calf.

"Bosco the snake eater" will undoubtedly be flattered, having this pet named after him.

After driving out of town a number of miles, the owner rested on the horizon or some such place a divinely fair young maiden, so the other young man was told to get out and walk home. This was distinctly tough for the young man.

Mr. Jas. Thomson moved his residence into town last Saturday.

The school has again been closed on account of measles. It will be reopened after the Easter holidays.

Mrs. B. H. Dial, and Master Edgar Dial, who have been spending the winter months in Vancouver, B. C., returned to town last week. Mr. Dial and Thelma Dial went to Calgary to meet them.

Dr. Swartzlander's house had a narrow escape last week. An overloaded stove pipe caused a portion of the roof to catch fire. The blaze was extinguished however without much damage being done.

Harness By Mail Order

The old fashioned method of placing your order for harness and having the local harness maker make it up at his leisure is fast becoming history. The process of evolution demands that we must have a new method.

The development of this western country demands quick service, and competition creates close prices.

Mail order harness houses are springing up like mushrooms—most of them without previous experience. The Great West Saddlery Co., Ltd. the house that produces the "Horse Shoe Brand", the house that has supplied 75 per cent of the team harness used in Western Canada during the last 20 years, the house that is always abreast with the times, has recently adopted a system of mail order business.

Horse Shoe Brand Goods will always interest you, and prices on their special lines will surprise you. If you have not already received a catalogue ask for particulars from—
